Ryan was crowned USEA “King of Cross-Country Reliability” Since 2018, over nearly 400 cross country starts, Ryan has logged **99% clear runs**.

Wood’s secrets to success? “Always be progressive. Start with the basics and never create a situation where they are questioning me.” He carries over this philosophy of positivity and trust into his teaching.

In addition to competing, Ryan enjoys great success developing young horses. His previous clinics at Tulipsprings were a great success!

Come to Tulip Springs and enjoy riding with Ryan!
